PERMISSION TO TREAT

I give my consent for the First Aid and CPR certified staff of LifeBridge's Urban Scholar Program to administer first aid and CPR to my child and to contact the above named physician or dentist if my child has a medical emergency. I also give my consent for my child to be transported to the nearest hospital in the event of a medical emergency. I will be responsible for all medical fees.

Connecticut law states that except in the case of an emergency which threatens life or limb, parent or guardian must sign consent to treat for a patient under the age of 18. Please complete this section to allow your child to receive treatment for an accident, injury or illness at a medical facility.

- Program staff will always notify parent/guardian of need for medical care.
• Scholar Health and Registration Forms will be shared with the Medical Facility staff.

I request and authorize the nearest medical center, and its personnel to deliver medical care to my child. I also authorize LifeBridge Community Services to share Scholar Health Information with the Medical Provider. This authorization will expire one year from the date of signature unless otherwise stated.

EMERGENCY AUTHORIZATION: I hereby give permission to the medical personnel selected by the Urban Scholar Program Director to order x-rays, routine tests and treatment for me(staff) or my child, and in the event I cannot be reached in an emergency, I hereby give permission to the physician selected by the Urban Scholar Program Director to hospitalize, secure treatment for and to order injection and/ or anesthesia and/or surgery for me(staff)/or my child as named above. This form may be photo-copied for use off property.
